Dear Friends,

Greetings from the Organising Committee of FHNO 2023.

We are excited to host the upcoming 23rd National Conference of Foundation for Head and Neck Oncology. FHNO is the largest Head & Neck Societies of India and the three main thrusts of activity for the Foundation have been towards establishing uniform and internationally accepted standards of care for head and neck cancers in the country, promote research programs in basic sciences as well as clinical areas and initiate educational activities like structured oncology training programs and fellowships in head and neck oncology. We will do our utmost to uphold these guiding principles of our Foundation.

The theme for the FHNO 2023 meeting will be "**Current Perspectives & New Challenges in Head & Neck Oncology.**" The FHNO 2023 with a comprehensive academic program will have something for everyone. It will be held at Mirasol Resort located in the tropical region of Daman, UT which is deeply rooted in local heritage and natural beauty.
